

## LOAD BANK RENTAL

Power Systems & Controls is pleased to announce our Load Bank Rental services. Whether you are manufacturing equipment which requires load testing or you're in need of portable load for your monthly testing of emergency power systems, PS&C will rent you the load bank (with or without the technician required to operate it). We presently have over 3000 KW of portable load banks in the following configurations.

3 x 400KW (Pick-up Truck Portable) @ 480/240  
2 x 400KW @ 480/240  
5 x 50KW @ 208  
1 x 950 KVAR (Inductive Load Bank)
